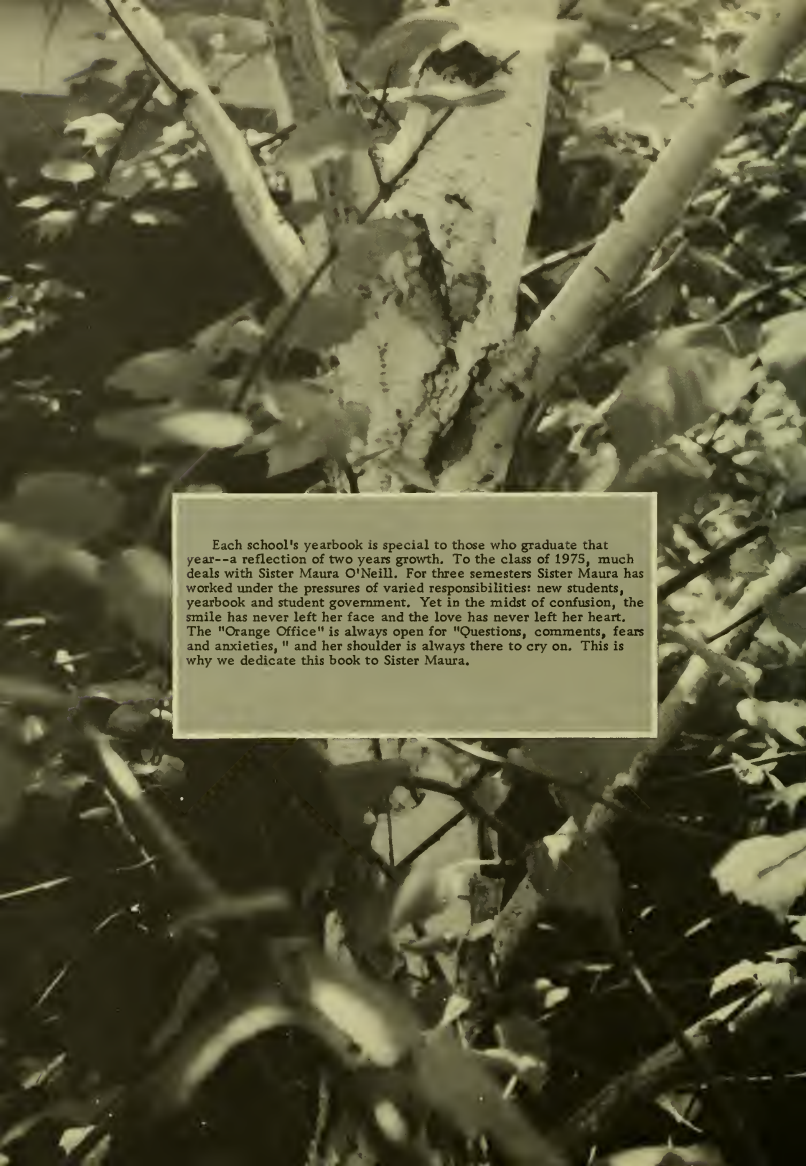
St. Joseph's College

Long Island Campus

Brentwood, New York



Each school's yearbook is special to those who graduate that year--a reflection of two years growth. To the class of 1975, much deals with Sister Maura O'Neill. For three semesters Sister Maura has worked under the pressures of varied responsibilities: new students, yearbook and student government. Yet in the midst of confusion, the smile has never left her face and the love has never left her heart. The "Orange Office" is always open for "Questions, comments, fears and anxieties," and her shoulder is always there to cry on. This is why we dedicate this book to Sister Maura.

WHO'S WHO

In American Universities And Colleges

Being selected for inclusion in the Who's Who Among Students in American Universities and Colleges has long been a great honor for the distinguished leaders of today's colleges. For many years, Who's Who has provided a place in its prestigious biographical volume, a lifetime use of their reference placement service, and a chance to participate in national student polls on current issues.

Each school has its own criteria for the selection of its "Who's Who" candidates. At St. Joseph's, these include an academic average of 3.0, active participation in school activities, a good character and the ability to succeed. These five people were selected by their fellow seniors as best fitting these criteria.

. . . NOTHING IN LIFE REALLY STAYS.
AND IT'S BEAUTIFUL THAT THEY GO.
THEY HAVE TO GO IN ORDER FOR
THE NEXT THING TO COME.
YOU CAN ALMOST ADD BEAUTY
TO A THING BY ACCEPTING
THAT IT'S TEMPORARY.
